👤 SUMMARY

I am a responsible and goal-oriented person with a quick learning ability. I was involved in a non-commercial project that has given me an understanding of Scrum methodology. Working in a well-organized team I have learned to be a good team player.

🎓 EDUCATION

2021 September – 2025 June	**Bachelor, Kharkiv National University of Radio Electronics** Specialization: Artificial Intelligence

📚 COURSES & PROJECT

2023 February – 2023 May	**"JS FUNDAMENTAL"-TEAM WORK, SoftServe** On this courses we learned the technology of React.JS (composition of HTML, CSS and JS) and methodology of Scrum. Finally, we representedthe social media "Proved Code", which is similar to LinkedIn. As we were told, this course is completely reminiscent of an internship. "ProvedCode (front-end) repo".
2022 September – 2022 December	**"JS FUNDAMENTAL", SoftServe** On this courses, I began to learn programming language JavaScript. I did basic things, outputting the result to the console
